

LectIQ

T.Prousalis-hriqtests.com - January 2020 ©

Description : Lectiq is a questionnaire consisting of 20 verbal analogies and 20 riddling word definitions. A variety of noetic aptitudes are examined; from pattern recognition to comprehension, knowledge, and acquiring/processing new information. One should try this test alone. Discussion with others or public presentation in any way of this test's items is strictly prohibited.

Before submitting your answers, please visit instructions' page, for possible updates.
